

Subject: Upcoming Price Adjustment Effective September 1st, 2025

Maastricht, August 22th, 2025

TO WHOM IT CONCERNS

Dear Mrs. / Mr.,

We would like to inform you about an upcoming adjustment to our pricing, which will take effect on September 1st, 2025.

Over the past year, we have been confronted with significant increases in overall supply chain costs, raw materials, and logistics. In addition, the recently introduced U.S. tariffs—and the possibility of further trade-related measures in other markets—are having a direct impact on our cost structure.

Despite our continuous efforts to absorb these increases through efficiency improvements and internal optimizations, it has become necessary to adjust our prices to ensure that we can continue to deliver the high quality, service, and reliability you expect from us.

The updated price lists will be available through our customer portal and will be provided to you directly by your usual sales contact. Any orders **confirmed before September 1st will be invoiced at the current pricing.**

We highly value your trust and partnership, and we remain committed to supporting your business with the best possible solutions. Should you have any questions regarding this change, please do not hesitate to reach out to us.

Thank you for your continued cooperation and understanding.

With kind regards,
INNOVATEST Europe BV

Sales Department

PS.: Existing quotes remain valid for 60 days from the 1st of September. In order to qualify for the extended 60 days price fix, a copy of the quotation should reach us before the first of September. Please send the copy to the sales department or your account manager at INNOVATEST.
